

The Mayor's Corner

October 12, 2015

Welcome to *The Mayor's Corner*.

It is my hope that this page will be a source of helpful and interesting information for our residents. I will be speaking about current happenings in the Borough, answering questions that I think would be of interest to everyone, and sharing my thoughts on various topics.

As always, thanks for allowing me the honor of serving as your mayor.

Community Day 2015

Unfortunately this year's official Community Day had to be canceled due to the weather.

I use the word "official" because, as far as I'm concerned, every day is Community Day. I came to that realization shortly after moving to North Wales in 2005.

As I wrote in the upcoming *Borough of North Wales Progress Newsletter*, I have always been impressed with the commitment to service of our residents. They protect our parks, preserve our history, organize events, and countless other examples of service. This is what makes North Wales a community and not just another borough. It is something to be celebrated and appreciated every day of the year. It's like birthdays. You have a party once a year; however, you celebrate the person every day of their life.

Even though our party was rained out on October 3, we have every day to celebrate the North Wales community.

Election Day

Don't forget to vote on November 3. I'll have more to say in my next post.
