Welcome To North Wales!

Dear New Neighbor,

On behalf of our community, it is with great pleasure that I welcome you to the Borough of North Wales! As a resident, you may benefit from a variety of wonderful activities and attractions the Borough has to offer. From library hosted book clubs and playing with your kids in Wee Walers Park to dining out and joining sporting clubs, there is surely an enjoyable activity for everyone. If travel is your pleasure, the centrally located North Wales train station offers a quick ride into Center City, Philadelphia. Of course, we also have a wealth of small businesses to meet your needs; apparel stores, delicious eateries and bakeries, superb auto shops, and skilled hairstylists to give you an idea. I invite you to explore the abundance of happenings available.

This packet serves as a guide, providing important information pertaining to utility services, maps, Borough contact information, and ways to become involved in the community. I hope this serves you well. Also included in this packet are flyers and coupons redeemable at our local businesses.

If any questions arise, please feel free to contact us or visit our website: NorthWalesBorough.org - an excellent source of information! I encourage you to enjoy the beauty of North Wales as much as I do!

Cordially,

North Penn Volunteer Fire Department

For over 110 years the North Penn Volunteer Fire Company has been protecting and preventing the boroughs of North Wales and Lower Gwynedd, as well as surrounding communities, from the devastating effects of fires. Incorporated as a non-profit since 1930, the Company is an all-volunteer organization that derives funds through generous member donations as well as fund raising activities. If you would like to donate funds or become a Volunteer Active (ages 18+) or Volunteer Junior Active (ages 16 and 17), please contact 215-699-4337.

North Wales Parks

We have several parks and open spaces in the Borough that provide family time, picnics, or quiet strolls:

Weingartner Park

Located at Second and Summit Streets, Weingartner Park offers 3 acres of passive land full of various Black Walnut, Norway Maple, White Pine, Dogwood, Beech, Sweetgum, Hemlock and Cherry trees as well as pathways and benches.

Hess Park

Located near the intersection of Eighth and Walnut Streets, Hess Park is a great place for a relaxing stroll. It offers a walking path, play area, and pavilion.

Wee Walers

Located at 332-334 Shearer Street, Wee Walers is perfect for your little tots! Includes a playground equipped for children ages 8 and under.

Second Street Park

Located at Second Street & Prospect Avenue, this tennis court area is open to the public seven days a week and closes at dusk.

Ninth Street Park

Located at Ninth and Church Streets, 1.44 acres of lush park is ideal for bird watching, enjoying the natural foliage, picnics, and games!

Fourth Street Park

Native plants adorn the two front corners of the Park where open space is available for many activities. Children's baseball games are generally played here where the Borough made "enthusiasts" cheer on.

Eighth Street Park

A park developed solely by children including a brick walking path, plantings, and benches.

Adopt A Park

Residents, non-profit groups, and service groups are able to adopt a Borough Park and provide maintenance and clean-up. The Borough welcomes new ideas for the parks and encourages all residents to participate.

Local Business

North Wales is home to over one hundred businesses able to accommodate many of your needs. However, if you are of the entrepreneurial spirit and happen to find a new opportunity, you are encouraged to start your own - please request a business license from the Borough office first. Below is an example of how you may enjoy a few of our own local businesses...

*...Pamper yourself and the family at **Hair Daze Salon** with a cut and color or at **Sherry's Beauty Salon**, where you can accentuate your beauty by a group of talented and dedicated artists. Or, take your friends to **The Green Fork Restaurant**. Relax on their front porch with a garden-fresh breakfast supplied by local farmers or admire beautiful pieces of neighborhood artwork over locally roasted coffee - supporting the community is their philosophy! Some evening, stop by **North Wales Beer** for some entertaining liquid refreshments or enjoy an authentic Mexican meal at **Tex Mex Connection!** To satisfy your sweet tooth, visit **Alice Bakery** and try their artisan cupcakes, croissants, and tarts! They also make fresh baked bread daily and serve lunch Tuesdays through Fridays. Stock up on Italian style stuffed gourmet peppers from **Fathead Peppers**. Started in 2005 as a family company, they offer a range of homemade stuffed peppers, sauces, and dressings. Finally, in times of need **L.I.P. Collision** is there to restore, repair, or upgrade your prized hot rod. Their moto: "Quality First" should comfort you while your beloved automobile is tended to. Need a routine tune-up or inspection? Count on **Point Service Center**. They offer a broad range of services on vehicles, they're sure to meet your needs.*

Additionally, North Wales hosts several community events each year. A list of local events can be found in our biannual newsletter or in the "Events" section of our website. Please take the time to explore the adventures waiting around the corner...
