**SUBJECT: APPLICATION AND CERTIFICATION OF PAYMENT NO. 2
NORTH WALES BOROUGH 2020 PAVING PROJECT
NORTH WALES BOROUGH, MONTGOMERY COUNTY, PA
PROJECT NO. 2068028**

Dear Ms. Hart:

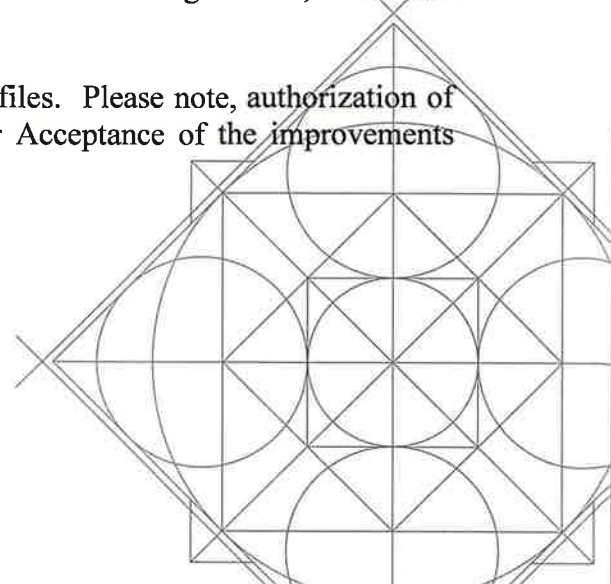

We have reviewed Application and Certification for Payment No. 2, submitted by Delaware Valley Paving for site improvements at the above referenced project. All paperwork is found to be in order.

We offer the following comment with respect to the requested item:

1. We recommend **only \$22,500.00** be approved for release for Item **ALTERNATE BID B.106. Replace ADA Handicap Ramp with DWS:** This represents the amount of work completed to date and completes this line item. The remaining 2 ramps will be removed from the project via an upcoming change order.

Based on our review of this request and construction observations to date, we recommend that Delaware Valley Paving be paid **EIGHTY-TWO THOUSAND TWO HUNDRED SIXTY-EIGHT DOLLARS AND TEN CENTS (\$82,268.10)** which represents the total value of work recommended for release, \$91,409.00, less 10% retainage in the amount of \$9,140.90. This release brings the Total Amount Released to Date to \$143,909.00, the Total Retainage to \$14,390.90 and the Total Amount Paid to Date to \$129,518.10.

A line-item tabulation for this payment is enclosed for your files. Please note, authorization of this payment should not be construed as Final Approval or Acceptance of the improvements installed to date.

Ms. Christine Hart
North Wales Borough 2020 Paving Project - Payment Application No. 2

BOROUGH OF NORTH WALES
 300 SCHOOL STREET
 NORTH WALES, PENNSYLVANIA

REMOTE MEETING: March 23, 2021 7:00 PM, EST

CALL TO ORDER made by President Sando.

ROLL CALL:	Salvatore Amato	Present
	James Cherry	Present
	Sherwin Collins	Present
	Ronald S. Little, Jr.	Present
	Wendy McClure	Present
	Sally Neiderhiser	Present
	Eion O'Neill	Present
	James Sando	Present
	Mark Tarlecki	Present
	Mayor Gregory D'Angelo	Present

Also in attendance were Gregory Gifford, Borough Solicitor, Alan Guzzardo, Assistant Borough Manager and Michael Eves, Chief of Police.

This meeting was held remotely via Zoom due to COVID-19 restrictions.

President Sando led the Pledge of Allegiance.

Public Comment

There was no public comment at this time.

Discussion: American Rescue Plan Act

Manager Hart provided an overview of the American Rescue Plan Act. The Borough anticipates receiving approximately \$323,000 in relief; however, the funds must be used for specific purposes outlined in the Bill and will most likely not be disbursed in one lump sum. Future discussion and review of this topic will take place once more information becomes available from the Federal Government.

Member Amato announced that more information is available through the National League of Cities.

Discussion: Keystone Grant Program – North Wales Area Library

Manager Hart announced that the North Wales Area Library is seeking permission to apply for the Keystone Grant to cover expenses for repairs to the Library's roof. The submission requires the Borough to be the applicant. President Sando asked Solicitor Gifford if there are any issues with the Borough applying for the grant on behalf of the Library. Solicitor Gifford stated he did not see any issues with it.

Consideration: Approval of Certificate of Appropriateness Amendment - 129 Shearer St.

Member McClure made a motion to approve an amendment to a Certificate of Appropriateness as presented for 129 Shearer Street. Member Neiderhiser seconded the motion. Motion passed 9 yes, 0 no.

Consideration: Planning Commission Appointment, Term Ending 12/31/2021

Vice President Cherry expressed his concerns with filling vacancies on the Borough's Boards and Commissions with those who have previously served. He suggested that the Borough do more to notify residents of vacancies which he said would attract newcomers with fresh ideas and perspectives. Therefore, he announced he would make a motion to table the appointment for at least another 30 days to allow more time for people to submit a letter of interest.

Vice President Cherry made a motion to table the nomination for at least 30 days. Member Collins seconded the motion. Motion denied, 4 yes, 5 no. The following members voted no: Little, McClure, Neiderhiser, O'Neill and Sando.

Council deliberated on the appointment which had already been posted for at least 30 days. Member Little stated that the Borough has followed its appointment procedure and the term ends at the end of this year. Member Tarlecki suggested posting the vacancy on the North Wales Community Facebook page. Solicitor Gifford cautioned against that practice and recommended that the Borough only post official business on its own Facebook page.

Member McClure made a motion to appoint Jocelyn Tenney to the Planning Commission, term ending 12/31/2021. Member Neiderhiser seconded the motion. Motion passed 8 yes, 1 no. Vice President Cherry voted no.

Consideration: Approval of Minutes: 3/9/2021

Member O'Neill made a motion to approve the minutes of March 9, 2021. Member Little seconded the motion. Motion passed 9 yes, 0 no.

Consideration: Approval of Disbursements: \$78,648.00

Member O'Neill made a motion to approve payment of the bills in the amount of \$78,648.00. Member Amato seconded the motion. Motion passed 9 yes, 0 no.

Old Business/Committee & Board Reports/Zoning Applications

Manager Hart announced that the Borough received a Zoning Hearing Board Application, regarding 404 School Street. She provided the legal ad for the public and Council's review. President Sando asked if the Borough would be mailing out notices to all the nearby property owners. Assistant Manager Guzzardo confirmed that the notices were mailed out, legal notices were published in The Reporter, the property was posted, and it has been posted on the Borough's website.

Manager Hart announced that Brian Sleicher has been promoted to Public Works Supervisor and she congratulated him on his promotion.

Solicitor / Mayor / Council / Chief of Police / Manager

Solicitor Gifford announced that an executive session will be held following tonight's meeting to discuss a real estate matter and no action would be taken following the session. Mayor D'Angelo announced that Clifford Park, former NWWA Board member and lifelong resident who volunteered frequently in and around the Borough had recently passed away. Mayor D'Angelo also expressed his concerns with recent acts of violence against the Asian population and had informed Council that he had reached out to members of our community to ensure open lines of communication.

Vice President Cherry announced that the Borough will be receiving 15 trees to be planted on Borough owned properties and within the right-of-way on private property. He then expressed his concerns with the diminishing tree canopy in the Borough. Member Tarlecki asked if the Borough can do more to educate the residents on the Shade Tree Ordinance. Manager Hart suggested that the Shade Tree inventory should be completed which will help prevent issues. Assistant Manager Guzzardo stated that Lisa Byrne, Shade Tree Commission member, is working on an education flyer that will be distributed in the Borough's welcome packets and to Shade Tree owners.

Manager Hart announced that McMahon Associates is seeking Council's approval to submit a PennDOT Traffic Signal Application for a pedestrian crossing on Walnut Street at the Walnut/Main intersection in connection with the Center Street Pedestrian Connection and Gateway Project.

Member O'Neill made a motion to approve the submission of a PennDOT Traffic Signal Application as presented. Vice President Cherry seconded the motion. Motion passed 9 yes, 0 no.

Manager Hart made the following announcements: Earth Day Extravaganza to be held on Saturday, April 24, the Montgomery County Household Hazardous Waste drop off-dates, the DEP Southeastern Household Hazardous Waste drop-off dates, the Partnership TMA of Montgomery County's 2020 report and the Borough's Boards and Commissions vacancies.

Member Little made a motion to adjourn. Member Neiderhiser seconded the motion. Motion passed 9 yes, 0 no. Meeting adjourned at 8:25 P.M.

Attest: _____
Christine A. Hart
Borough Manager

DATE: April 7, 2021

TO: North Wales Borough Council

FROM: Greta Martin Washington, Chair – North Wales Borough Planning Commission

RE: North Wales Borough Planning Commission - 2020 Annual Report of Activities

This memorandum will serve as the North Wales Borough Planning Commission 2020 Annual Report of Activities.

The members of the Commission were: Gregory J. D'Angelo, Lillian Higgins, Greta Martin Washington, Linda McAdoo, and Mark Tarlecki.

Eight official meetings were held during 2020: January 13, February 5, March 4, May 6, June 3, July 1, August 5, and December 2, 2020. There were no meetings in April, September, October and November since there were no agenda items. Due to the COVID-19 pandemic and health restrictions, the meetings from May through December 2020 were conducted virtually by the use of telecommunications devices via a Zoom conference accessed by either telephone using the dial in number or entering the URL on an internet browser, both of which were provided on the North Wales Borough website www.northwalesborouh.org at least 24 hours prior to the meeting.

January 13, 2020

Margaret Dobbs, MCPC, reviewed the North Wales Borough 2040 Comprehensive Plan 2019 Annual Review and 2020 priority projects and implementation timeline in the 2040 Comprehensive Plan.

After discussion, the Planning Commission voted to seek authorization from Borough Council to work on ordinance amendments, specifically:

- Conduct an audit of the Zoning and Subdivision and Land Development Ordinances to identify necessary updates for clarification of intent, appropriateness of districts, and preservation or protection of existing community character.
- Adopt renewable energy ordinances regulating alternative energy.

February 5, 2020

The 2020 Work Items list was reviewed, and it was decided that the list should be revised to specifically focus on the work items the Planning Commission would like to see the designated Borough agencies accomplish in 2020. The Planning Commission tasks for 2020 will be the

Borough-wide walkability audit and the audit of permit parking in the Borough; MCPC will be the lead on both these projects with assistance from the Planning Commission where feasible.

March 4, 2020

- a. Margaret Dobbs reported on the proposed Planning Commission projects for 2020:
- Zoning Ordinance Review – Ms. Dobbs and Mr. Guzzardo will work on this and provide periodic updates to the Planning Commission.
 - SALDO update will be done in 2021.
 - Walkability Audit – Evaluate status of sidewalks, crosswalks, and other pedestrian infrastructure and make recommendations for future improvements. Ms. Dobbs reviewed the steps of this audit and how to inform residents.
 - Permit Parking Audit – Conduct a permit parking audit for the Borough to evaluate the effectiveness of its current permit parking program and make recommendations to improve the administration of the program. Ms. Dobbs distributed a memo outlining the scope of work, project outcomes, and estimated timeline.
- b. TOD Zoning Text Amendment – After reviewing the latest draft, dated February 26, 2020, the Planning Commission voted 5-0 to recommend that Council authorize the Borough Solicitor to prepare the TOD zoning amendment for consideration by Council. Ms. Dobbs will present an overview of the proposed changes to the existing TOD and a summary of the goals of the ordinance amendment at the March 10th Council meeting.

May 6, 2020

Ms. Dobbs presented updates to the Planning Commission 2020 Work Items:

- Walkability Audit - MCPC is working on the interactive map, which will be used in compiling the visual data collection from the field work.
- Permit Parking Audit – It was determined that accurate data or parking counts would not be possible due to the current stay-at-home conditions. The possibility that Planning Commission members could do the preliminary work and calculate on and off-street capacity during the summer of 2020 was discussed. Data on parking permits and citations issued from the Police Department needs to be obtained.
- Zoning Ordinance Update. Proposed TOD amendment draft is being reviewed by the Solicitor's office. Ms. Dobbs and Mr. Guzzardo have been reviewing the residential districts and preparing a spreadsheet to compare the different dimensional standards in each of the residential districts and this should be available in the near future.

June 3, 2020

Planning Commission 2020 Work Items were discussed:

- Walkability Audit – Borough Solicitor has approved the text of the digital flyer which will be posted on various social media sites.
- Walkability Survey – Interactive map was reviewed, and comments received from various members of the Planning Commission. MCPC will make further revisions to the survey.

July 1, 2020

a. Planning Commission 2020 Work Items were discussed:

- Walkability Audit – MCPC is working on updates to the interactive map. Data collection has begun to document current sidewalk conditions and take photos. It was decided that this audit should be the primary focus for now.
- Parking Audit – MCPC is doing the base mapping work.
- Zoning Ordinance Update – This is currently on hold due to the challenges of working during this pandemic crisis and the inability to meet in person.

b. Zoning Application Z-20-02

Application filed by Lisa Cole for property located at 623 East Walnut Street. The Planning Commission voted 4-0 to recommend that the Zoning Hearing Board approve the subject application for a variance from the North Wales Borough Zoning Ordinance, Article VII, R-C Residential District, Section 208-55, Accessory buildings, to permit a third accessory structure, a 12' x 24' oval above ground swimming pool in the back yard.

c. Zoning Application Z-20-03

Application filed by Jean-Paul Vincent for property is located at 304 West Walnut Street. The Planning Commission voted 4-0 to recommend that the Zoning Hearing Board approve the subject application for a special exception from the North Wales Borough Zoning Ordinance, Article VII, R-C Residential District, Section 208-47.F.(1), Permitted Uses, to permit a minor home occupation, a mortgage company. The motion passed 4-0.

The Planning Commission decided to make no recommendation on the two variances:

- (1) A variance from the North Wales Borough Zoning Ordinance, Article VII, R-C Residential District, Section 208-47.F.(1), Permitted Uses, to allow the occupation in a single-family semidetached dwelling.

- (2) A variance from the North Wales Borough Zoning Ordinance, Article XVII, General Provisions, Section 208-139.A, Home occupations, to not add an additional two paved off-street parking spaces.

August 5, 2020

a. Zoning Application Z-20-04

Application by TBG Health TBG Health to operate a Structured Habilitation Day program for brain injury rehabilitation on the first floor and business offices on the second and third floors at the property located at 136/138 South Main Street. The Planning Commission voted 4-0 to remain neutral on the application for a variance from the North Wales Borough Zoning Ordinance, Article X, OR Office-Residential District, Section 208-82.C, Permitted uses, but recommend that if granted the applicant will be held accountable to the scope of use – brain injury rehabilitation - and hours of operation - Monday-Friday, 9 AM to 3 PM - as stipulated in the application submitted to the Borough.

b. Zoning Application Z-20-05

Application filed by Nate and Tina Rice for property located at 401 West Walnut Street. The Planning Commission voted 4-0 to recommend that the Zoning Hearing Board approve the subject application for a special exception from Article VI, R-B Residential District, Section 208-36.D.(3) and two variances from Article XVII, General Provisions, Section 208-147, Special requirements for separate living areas when approved by special exception, subject to consideration of a deed restriction that would allow family members to include immediate and extended family - aunts, uncles, nieces, and nephews - to reside in the separate living area.

December 2, 2020

Planning Commission 2021 Work Items:

- Ms. Dobbs presented a preliminary introduction, via PowerPoint, of the Walkability Study and what data will be included. One more trip is planned through the Borough and it is estimated that February is the earliest date that the study will be completed. The study will be a tool that enables the Borough to set realistic goals/expectations.
- Parking Audit – It was agreed that this should be postponed until the pandemic restrictions have been lifted and there is a return to a normal work commute (if ever).
- Zoning Ordinance Update – This work will continue in 2021 but is not expected to be completed by year-end.

In 2021, the Planning Commission plans to focus on several key points as follows:

- Complete the Walkability Study. The key findings and data will be utilized for future sidewalk projects.
- Implement the TOD Zoning Text Amendment that had been prepared in 2020.
- Continue audit of the Zoning Code to identify necessary updates for clarification of intent, appropriateness of districts, and preservation or protection of existing community character.
- Continue to provide recommendations to Borough Council for Land Development reviews, by providing an emphasis on the importance of:
 - Intelligent methods of rezoning or zoning code modifications, as opposed to granting numerous variances.
 - Conditions to project approval which will improve the quality of the finished project.
- Work with the Montgomery County Planning Commission to make use of their planning resources, especially GIS and graphics-based planning/exhibit tools.

In 2021, Planning Commission meetings will continue to be held on the first Wednesday of the month at 7 PM, with a workshop meeting from 6-7 PM before the regularly scheduled meeting to work on the 2020/2021 Planning Commission work items.

Respectfully submitted,

Greta Martin Washington, Chair

cc: Alan Guzzardo, Assistant Borough Manager/Borough Zoning Officer
Christine Hart, Borough Manager

April 9, 2021

Attached please find the report for Borough Council.

Happenings in March:

- Officers and Fire Police escorted through the Borough very large, prefabricated sections of a building headed for Merck & Co.
- We continue our drop in visits to the Library and North Wales Elementary. It is pleasant to catch up with residents and the children.
- Chief Eves and Administrative Assistant Tara Claffey attended PA Chiefs Accreditation training classes.
- Officer Hammerstone completed four online training courses:
 - Creating safe scenes
 - First Response: working on the front lines of the opioid crisis

Respectfully,

Tara Claffey
Administrative Assistant to Chief Eves, NWPD

DROP OFF GUIDELINES

- NO TVs, electronics, or appliances will be accepted.
- Event workers will unload your materials so please remain in your vehicle with your windows up.
- **BUSINESSES AND CONTRACTORS WILL BE TURNED AWAY**, no commercial/industrial waste accepted.
- Bring all substances in original containers with labels. Items must be identifiable. Do not mix materials.
- Gas containers returned upon request. Please attached a note to your container if you want it back.
- Tighten lids on all containers. If containers are leaking, pack in larger container with newspaper to soak up leaks.
- Maximum amount accepted is 25 gallons or 220 pounds. No 25- or 50-gallon drums.
- There are no permanent drop off locations in the region for household hazardous waste, only the listed collections.
