North Wales, PA 19454
March 12, 2019

TO: North Wales Borough Council

I am submitting my resignation from the North Wales Historic Commission.

I sincerely thank all borough officials, past and present, who have given me the opportunity to serve for 25 years with many other dedicated members. It has been a particular privilege to help establish some very special initiatives new and unique in our North Penn communities, such as the Historic District so instrumental in saving our train station, the Heritage Plaque program and the successful effort to recognize notable artist William Trego with a coveted Pennsylvania Historical Marker. I hope projects big or small have had a positive impact on North Wales.

Support from residents and Borough Council has always been important in pursuing the Commission's goals of preserving and promoting our town's history. Ray Tschoepe's initial guidance was invaluable in the Commission's formative years, and most recently Council approved a spacious area in Borough Hall for long-needed display space. Once limited to a small cabinet in the entrance hall, current exhibits assembled through efforts by Joanne Matthews and others now have a splendid venue worthy of the oldest borough in the North Penn Valley.

I am leaving the Commission in good hands, but my interest will continue. I have enjoyed working with countless excellent people, in and out of the Borough, through the years. As the 150th Anniversary of North Wales is upon us, I extend heartfelt appreciation to all.

Sincerely,

Phyllis B. Byrne

RE: **Contractor's Application for Payment No. 2**
North Wales Safe Routes to School Project
North Wales Borough, Montgomery County
McMahon Project No. 818546
PennDOT ECMS No. 87099

Dear Ms. Hart,

Please find attached the signed and notarized contractor's application for payment 1 and the supporting PennDOT ECMS documents for the above referenced project. We are recommending the Borough of North Wales reimburse Marino Corporation for the total amount requested of **\$117,302.72**. Should you have any questions or require additional information, feel free to contact me at this office.

Sincerely,

Stephen C. Giampaolo, P.E.
Senior Project Manager

\$7.00 per person

Tickets available at

North Wales Borough Hall

Monday - Friday, 8 AM – 4 PM

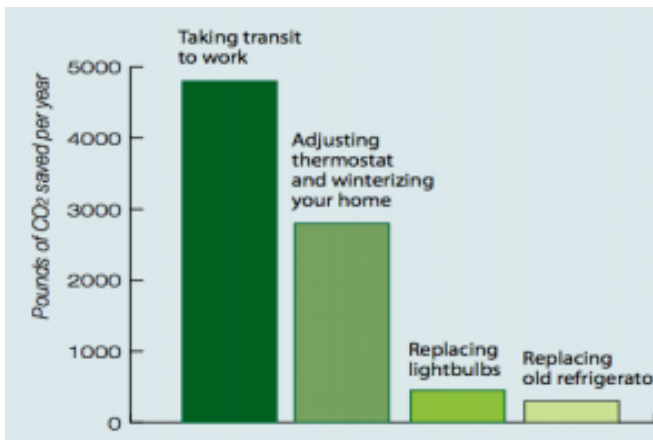

“The Partnership TMA of Montgomery County is a non-profit organization that collaborates with public and private sector partners to **EASE** traffic congestion, **ENHANCE** transportation options, **EDUCATE** and **ENGAGE** the community on the issues of land use, the environment and healthy lifestyles.”

Try It For The Earth

According to the American Public Transportation Association (APTA), taking public transportation is one of the most significant actions a person can take to reduce their carbon emissions. An individual who switches a 20-mile round trip commute by car with public transportation can reduce their annual CO₂ emissions by 4,800 pounds per year!

Carpooling helps reduce pollution in a similar way, getting more cars off the road, and biking and walking produce no CO₂ at all! Earth Day is a chance to consider changes we can make to improve our air quality.

If you're looking for a way to celebrate Earth Day, try this: pick a day this month and change up your commute - rideshare, walk, bike or take transit to work!

You can save money too! Switching from driving to transit can save you more than \$754 per month! With carpooling, not only do you reduced cost of your commute by splitting the cost with other passengers, it can even cover your tolls and insurance.

The Bike Shares Reopening

It is hard to believe that it is time to reopen the bike shares already! But it is!

Presently Bike Shares are located at the Upper Perkiomen YMCA, the Montgomery County Public Library, Peter Becker Community, Indian Valley Public Library, Lansdale Public Library, Perkiomen Place Apartments, Horsham Public Library and North Wales Borough. Adult tricycles are available at select locations. In 2019 the PTMA is looking for new locations - especially one in an office park. For more information on what is required to participate in the FREE program, call the PTMA at 215-997-9100.

Transportation Summit A Hit!

Our 2nd Annual Transportation Summit was very successful and informative. We wanted to take the time to thank our sponsors one more time.

Gold Sponsors: Air Quality Partnership; McMahon Associates; TransNet

Silver Sponsor: Lansdale Warehouse
