**North Wales Area Library is pleased to be an approved site for the Human Library  
April 9, 2022.**

The Human Library is an international organization and movement that first started in Copenhagen, Denmark, in 2000. It aims to address people's prejudices by helping them to talk to those they would not normally meet. The Human Library® is, in the true sense of the word, a library of people. Readers can borrow human beings serving as open books and have conversations they would not normally have access to.

The purpose of the event is to challenge prejudice through respectful conversation. Community members will become living books who have experienced prejudice due to issues such as race, sex, age, disability, sexual preference, gender identity, class, religion/belief, lifestyle choices or other aspects of who they are and explain their personal experience with the readers.

Community members are encouraged to attend the event and read a variety of human books. Readers will finish the loan and return a book at anytime during the 30 minute session. Readers can only borrow one book at a time.

All of our human books are volunteers with personal experience with their topic. The Human Library® is a place where difficult questions are expected, appreciated and answered.

The library is recruiting human books for this event. Human books will participate in a training prior to the event. Please contact Janeen Marzewski at [jmarzewski@northwaleslibrary](mailto:jmarzewski@northwaleslibrary) or call 215.699.5410, if you are interested in learning more about becoming a Human Book.
