**ADVERTISEMENT**

Notice is hereby given that North Wales Borough will accept sealed proposals online for the North Wales Borough Road Improvement Program in North Wales Borough, Montgomery County, PA. Bids will be accepted until 1:00 PM, August 6, 2026, via PennBID (https://pennbid.bonfirehub.com/) only. All bids received will be opened via PennBID at 1:00 PM, August 6, 2026.

Plans and specifications are available online at no charge via PennBID. (https://pennbid.bonfirehub.com/).

Questions must be submitted via PennBID by July 30, 2026, at 5:00 PM. Submission of a question does not guarantee that such questions will be answered.

All proposals (bids) are to be accompanied by a bid bond or certified check in the amount of 10% of the total bid. The Borough reserves the right to waive any minor informalities, irregularities or defects in the bid; or to reject any or all of the bids. The successful Bidder must comply with Pennsylvania Prevailing Wage Act.

All bidders are required to establish proof of competency and responsibility, in accordance with 67 PA Code Chapter 457, Regulations Governing Pre-qualification of Prospective Bidders and PennDOT Form 408/2026, as supplemented and amended, Section 102. Subcontractors must pre-qualify in the same manner, if listed in the proposal or if they subsequently undertake the partial or total construction of one or more items of work. All bidders, and sub-contractors must be PennDOT pre-qualified contractors.

No bid may be withdrawn within sixty (60) days after the opening thereof, during which time the Borough may review the bids and investigate bidder qualifications.

Christine A. Hart, Borough Manager
North Wales Borough

BOROUGH OF NORTH WALES
300 SCHOOL STREET
NORTH WALES, PENNSYLVANIA

MEETING: June 23, 2026, 7:00 P.M., EST

CALL TO ORDER made by Member Collins at 7:00 P.M.

| | | |
|---|---|---|
| ROLL CALL: | Candace Anderson | Present |
| | Melanie Catanese | Absent |
| | Sherwin Collins | Present |
| | Alexander Groce | Absent |
| | Anji Fazio | Absent |
| | Star Little | Present |
| | Susan Manning | Present |
| | Sally Neiderhiser | Present |
| | Mark Tarlecki | Absent |
| | Mayor Neil McDevitt | Present |

Also, in attendance were Chief of Police, David Erenius, Assistant Borough Manager, Danielle Ervin, and Borough Solicitor, Gregory Gifford

Manager Hart led the Pledge of Allegiance.

**Public Comment**

Christine McCarthy, 105 N. Third Street, spoke about the McKeever's Tavern property, located at 501 E. Walnut Street. She stated that she called the Borough last week to inquire about the demolition fence recently erected around the property. She was told that the Borough is awaiting a demolition permit to be submitted by the property owner. She requested that a freeze be placed on the permit once it is received. She mentioned that she believes the property is tax delinquent and, because of that, the Borough has a legal right to not authorize a demolition permit. She also referenced that a June 14th article in the Lansdale Reporter referenced a Borough resident's account of a cat colony living in the building. Ms. McCarthy believes displacing these animals would create a public health hazard and violate animal welfare protocols.

**Consideration: Approval of Minutes: June 9, 2026**

Member Manning made a motion to Approve the Minutes for June 9, 2026. Member Anderson seconded the motion. Motion passed 5 yes, 0 no.

**Consideration: Authorize Final Payment of $16,818: 9th Street Streambank Project**

Mayor McDevitt asked how well the streambank has been working with recent storms. Manager Hart said that Assistant Manager Ervin has been attending site visits with the consultant and contractor to check on this and that there are surveillance cameras at the site to monitor it.

Assistant Manager Ervin said that the environmental consultant for the project has confirmed that the restoration improvements have been working as designed.

Member Neiderhiser made a motion to Authorize Final Payment of $16,818 for 9th Street Streambank Project. Member Anderson seconded the motion. Motion passed 5 yes, 0 no.

**Consideration: Approval of Certificate of Appropriateness: 143 Shearer Street**

Member Neiderhiser made a motion to Approve the Certificate of Appropriateness for 143 Shearer Street. Member Little seconded the motion. Motion passed 5 yes, 0 no.

**Consideration: Approval of Disbursements: $82,121.08**

Manager Hart reviewed the disbursements for the month of June 2026.

Member Anderson made a motion to Approve Disbursements. Member Manning seconded the motion. Motion passed 5 yes, 0 no.

**Old Business / New Business / Committee & Board Reports / Zoning Applications**

There was no Old Business. There was no New Business.

Mayor McDevitt described Council's Safety Committee meeting last week. The challenges and solutions outlined in the DCED regional fire study and their potential impacts on the Borough were discussed. In future meetings, the Safety Committee will meet with NPVFC members as well as neighboring municipalities to discuss the findings and recommendations outlined in the DCED regional fire study. The goal of the Safety Committee is to provide Council with an analysis by September 22, 2026, Council meeting.

Member Collins questioned if a potential cultural problem outlined by the DCED regional fire study was discussed at the Safety Committee meeting. Mayor McDevitt said that will be discussed with NPVFC members at a future meeting.

There were no Zoning Applications. However, Manager Hart mentioned that there are two that may be filed within the next month or two for residential properties.

**Solicitor / Mayor / Council / Chief / Public Works / Manager**

Mayor McDevitt had the pleasure of standing at a pulpit again with a proclamation to recognize the 250th Anniversary of St. Peters Lutheran Church and declare June 14th as "St. Peter's Lutheran Church 250 Years of Faith, Hope and Community Day" in the Borough. He encouraged all residents to use the example of "Faith, Hope, & Community" in making our communities a better place for all. He expressed condolences to the St. Peters community on the sudden passing of their Music Director, Ms. Laurie Mueller.

For the 5th year, Mayor McDevitt was proud to partner with colleague and friend Council Member Star Little and Little's Ice Cream and Water Ice to help keep kids safe in the Borough. As before, Borough Police officers will be "pulling over" kids that they see riding their bikes with helmets in a safe manner and giving them a "ticket" for a free ice cream or water ice at Little's. Since 2022, over 800 Borough kids have been “cited” for being safe and conscientious riders.

Mayor McDevitt looks forward to joining the community in celebrating the 250th anniversary of the Declaration of Independence on July 4th here in the Borough. He thanked the North Wales Community Project Alliance for putting together a great program this year and to the community for stepping up to celebrate. He also thanked Borough staff, police, and emergency responders for helping us safely celebrate the holiday.

Mayor McDevitt reminded the community that, while consumer fireworks may be legal in Pennsylvania, there are significant restrictions on where they can be used. This generally means that practically everywhere in the Borough is not allowed to shoot them off. He asked that residents please leave the fireworks to the professionals with the safety of the community in mind.

Member Manning attended the Summer Kick-Off and enjoyed seeing the families and children who attended. She thanked everyone who worked on the event.

Member Neiderhiser mentioned that the North Wales Farmer’s Market is wonderful and may be extended into the winter. She seconded the Mayor’s point that fireworks should not be set off by Borough residents, as she has been hearing some recently. Chief Erenius said residents, such as her, should call 911 if there are concerns regarding fireworks.

Member Little addressed the closing of the small businesses of El Silverado and Empanada Noshery in the Borough. She said their closings are a heartbreaking reminder of a harsh reality that owning and running a small business right now is extremely challenging. We live in an era dominated by online ordering, big-box retailers, and where the cost of simply doing business has grown exponentially. What small businesses do, unlike their competitors, is uphold the very fabric of our community.

Member Little described that our local businesses support our local economy by hiring residents and keeping our hard-earned dollars circulating in our community. They are also the first to say "yes" when asked for donations, the first to sponsor our youth sports teams or fundraisers, and the backbone of our community events. Beyond that, these owners commit countless hours of volunteer time just to make our neighborhood a better place to live. When we lose a local business, we don't just lose a storefront; we lose a piece of our community’s personality and support system. Member Little urged residents to please keep our local businesses in mind first when making their purchasing decisions, to treat these business owners like the neighbors and friends they are, to show them patience, and to give them grace when things are not perfect.

Chief Erenius thanked Mayor McDevitt and Little's Ice Cream and Water Ice for providing the coupons for the ice cream. He reiterated that Borough residents are prohibited from setting off fireworks and that if they are heard or scene, 911 should be called.

Manager Hart mentioned that the Borough received a Certificate of Appreciation for their annual sponsorship for the Partnership for Transportation. She mentioned that Jane Keyes, owner of TexMex Connection, will be invited to a later Council Meeting to be recognized for her donation that went towards replanting the Walnut Square Park.

Manager Hart mentioned that on Friday, July 3rd, St. Peter's Lutheran Church will be holding a free pre-4th of July party. They will also be hosting a bike decorating event for children on the morning of July 4th. She reminded everyone of the annual 4th of July parade and picnic, along with the Declaration of Independence reading. Information regarding those events can be found on the Borough's website and social media.

Manager Hart explained that the Chamber of Commerce for Greater Montgomery County selected the Partnership for Transportation to be in the spotlight for Cooking for a Cause event to be held at Volpe Enterprises, Inc. on Thursday, July 9th. The proceeds from this event will go towards the Partnership for Transportation, along with four other nonprofit organizations.

Manager Hart mentioned the North Wales Area Library's Summer Camp will be held during the weeks of July 6th and July 13th. She also mentioned that the North Wales Farmers Market has been going well and, until an extension occurs, will run until October 25th. She also mentioned that a puppet show called "A Crack in Time: The Dinosaur and the Bell" will be held at the NWACC on Sunday, July 19th at 2 p.m.

Manager Hart said that the NWAL is rolling out a strategic planning survey that the Borough will be promoting on SavvyCitizen and social media. Additionally, she mentioned that she and Assistant Manager Ervin bet with the Borough's engineer to finalize the paving contract project schedule. Council will be seeing all the plans and scheduled details on an upcoming agenda for approval.

Annmarie Ely, 603 E. Walnut Street, seeks an update on the demolition process for the McKeever's Tavern property, located at 501 E. Walnut Street. She asked if a demolition permit has been submitted for the building. Manager Hart confirmed that nothing has been submitted to date. Ms. Ely asked if the fence surrounding the property must be taken down after a certain amount of time if no demolition activity is taking place. Ms. Ely expressed concern regarding the wildlife that may be in the building in the event of demolition and that they may flee to the surrounding properties. She asked if there were a process in the demolition that would mitigate that. Manager Hart said that standards are outlined in the Pennsylvania Building Code, which the Borough recognizes. Along with this, a Certificate of Insurance will be required.

Solicitor Gifford mentioned that one of the top demolition companies in the area will likely be used in the event of demolition.

Ms. Ely said that the building has been deteriorating for a very long time and questioned whether the owner has been fined and if steps were taken to intervene during the building's deterioration. Manager Hart said that the owner has been fined.

**Adjournment**

Member Manning made a motion to adjourn. Member Little seconded the motion.
Motion passed 5 yes, 0 no.

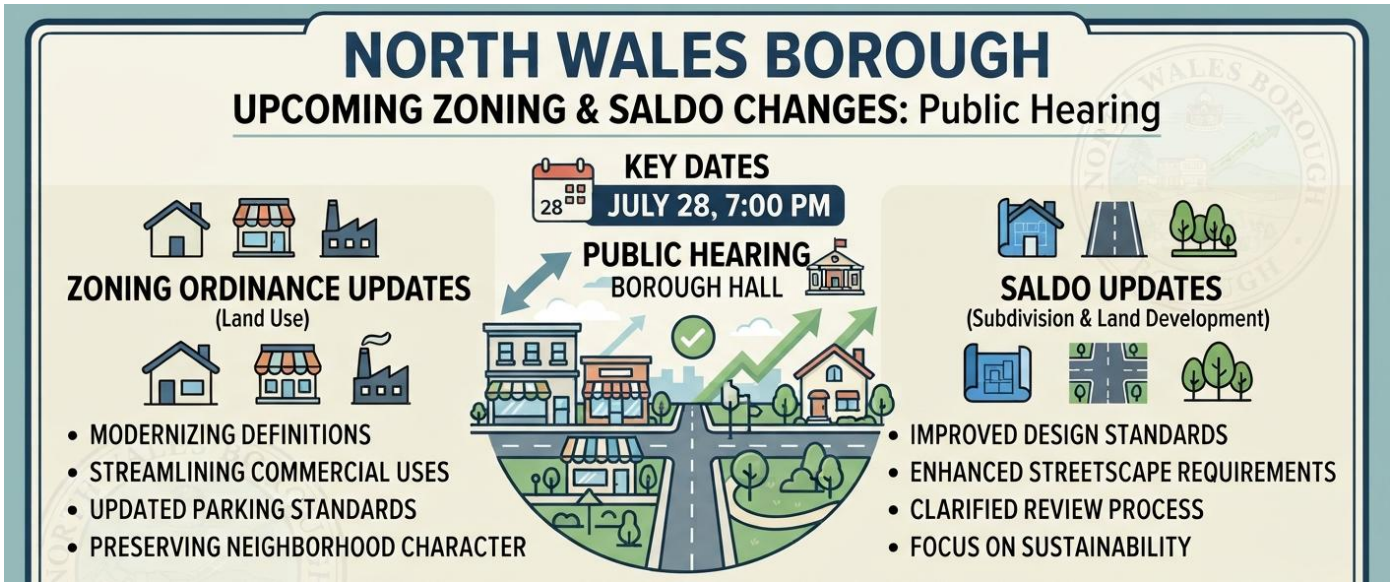

Meeting adjourned at 7:39pm.

Attest: _____
Christine A. Hart
Borough Manager

North Wales Borough is updating its Subdivision and Land Development Ordinance (SALDO) and Zoning Ordinance to modernize land-use, enhance streetscapes, and streamline development approvals in line with the borough's 2040 plan.

The changes, advertised on July 8, 2026, introduce stricter design standards and update zoning definitions to include modern commercial uses while removing archaic code language.

An upcoming public hearing will review these changes on July 28, 2026, at 7:00 PM at the North Wales Borough Hall. Residents can attend to ask questions and provide formal public comment before council action.

**WHY IT MATTERS:**

- REFLECTS THE BOROUGH COMPREHENSIVE PLAN
- SUPPORTS ECONOMIC GROWTH
- IMPROVES COMMUNITY DESIGN

**Visit: www.northwalesborough.org for more information**

# Community Survey:

## North Wales Borough Streetscape Plan

We need your input! You're invited to participate in a community survey to help the Borough identify future improvements to enhance the look, feel, and function of "downtown" North Wales. The plan will examine how streets, sidewalks, buildings, and public spaces work together to establish an environment that is safe, appealing, and inviting. Community feedback will help the project team identify community concerns, shape recommendations, and guide the process.

**Please visit www.surveymonkey.com/r/northwalesborough**

June 2026

North Wales Public Works Department Updates:

- Continued cutting grass at Borough parks and other properties, in addition to weeding and spraying salt-based natural weed killer formula
- Filled potholes and performed other road repairs
- Rented stump grinder and removed 9 stumps throughout Borough parks
- Assisted with Summer Kickoff by putting out No Parking signs, marking off fireworks area with caution tape, putting out barricades, and cleaning up trash and fireworks debris afterwards
- Performed required maintenance at 9th Street Park after streambank restoration and logged maintenance progress
- Performed inspections for sidewalk concrete pours
- Marked storm lines as needed for 14 PA One Calls
- Removed graffiti from signs at 10th and Walnut, 8th and Walnut, and Main and Walnut
- Assisted with Tex Mex 5k by putting up No Parking signs and barricades along race route, and using bucket truck to put up advertisement banner across West Walnut
- Delivered barricades for residential block parties and farmers' market events
- Began restoning stone pathway around Hess Park (will finish by mid July)
- Assisted with 4th of July events by putting out no parking signs, weed whacking all of Main Street sidewalks and curblines, spraying curblines with natural weedkiller, parking vehicles as hard barricades, and cleaning up trash
- Cleared debris and trash from all Borough storm inlets in accordance with MS4 requirements
- Assisted with property code enforcement by giving out Warning Notices
- Ran street sweeper weekly on Main and Walnut, and biweekly on East and West sides of town

Respectfully Submitted,

Thomas O'Mara
Public Works Crew Leader
