NORTH WALES COMMEMORATIVE DONATION PROGRAM

Purpose:

In an effort to allow citizens to commemorate a special event or memorialize lost family and friends and, at the same time beautify our community parks, the Borough of North Wales hereby establishes the NORTH WALES BOROUGH COMMEMORATIVE DONATION PROGRAM. This program will allow citizens to purchase trees and park benches/tables and have them placed in the various parks throughout the Borough of North Wales.

Procedures:

The procedures and guidelines outlined below are in place to ensure that this program is carried out in a manner that allows for the purchase and placement of items to be done in a coordinated and appropriate way while at the same time meeting the needs of the donor and the needs of the community.

1) All items proposed for donation must be purchased through the Borough from an inventory of items that have been approved by the Borough. The Borough will make a conscious effort to seek vendors who will provide the approved inventory of items at reasonable prices.

2) The donor will indicate the item to be installed and the general location desired for the item. The location of the donated item must be approved at the next regularly scheduled meeting of the Borough Council and Park and Recreation Board. Both Boards may take into account the need for replacements of previously existing items, the overall plan for the area chosen by the donor as well as the surrounding features at that area to determine if the site is appropriate. Donors are encouraged to attend the meetings to discuss their donation and choice of location with the Park and Recreation Board. Should the Park and Recreation Board not approve of the site chosen by the donor, the Park and Recreation Board and the donor are encouraged to reach a mutually agreeable location. If this cannot be accomplished the donor may withdraw his/her donation.

3) The Park and Recreation Board should make the Borough Manager aware of their decision on the next business day and the Manager will then begin the process of obtaining the item and scheduling the installation.

4) All donated items are to be purchased, transported, and installed by the Borough. Donors will be asked to pay for the item to be donated after their choice has been approved by the Park and Recreation Board and Borough Council.

5) The Borough will make every effort to install the donated item as quickly as possible once the item has been received by the Borough. Weather, the seasonal workload, and scope of the project may affect the actual installation. The Borough will make every effort to notify the donor of the date of installation of the item.

6) The Borough is not responsible for the maintenance or replacement of a donated item outside the manufacturer's or vendor's warranty for that item except in cases where direct actions by the Borough or Borough employees resulted in damage or destruction of the item.

North Wales Parks & Recreation Donation Program

By donating through this special program, you will be beautifying your Community Parks while at the same time Celebrating Life by planting a tree or donating an item for everyone to enjoy.

Plant A Tree In Tribute

Celebrate a birth, a wedding, an anniversary or honor the memory of a loved one through the Living Tree Donation Program!

Throughout the ages, trees have stood as strong life symbols. Trees improve our air quality and beautify our parks. A tree can also serve as a living and loving remembrance of a special event.

Perfect As A Family Tree

Plant a tree to honor the birth of a child, to serve as a symbol of a growing family. Like the tree, the family spreads its roots as it branches out, preparing a strong base for future generations.

Perfect As A Monument

The donation of a tree is a wonderful testimonial to a life well lived. Family and friends will have a living monument for a loved one, which will also provide beauty, shade and landscaping for your Park.

Park Bench or Table

Donation of a park bench or table are also a wonderful way to honor a loved one, however this process is more involved and requires personally contacting the Borough at 215-699-4424.

HOW TO DONATE A TREE

You may donate a live tree in one of the Borough's Parks. The Borough will arrange the planting of the tree as well as the tree maintenance. As a Borough policy we are not able to hold ceremonies, however, if family and friends would like to celebrate after the tree is planted, they may do so. In addition, due to the increased maintenance we do not allow the placement of decorations, notes, and ornaments on or around the tree.

North Wales Borough staff will choose your tree from a list of trees suitable for planting in one of our Parks. After your tree is planted the Public Works Dept. will maintain your tree, however please remember a tree is a living organism and can develop disease, is exposed to the weather elements and vandalism. If the tree develops a disease or is damaged, it may be necessary for the Borough to prune, remove or replace the tree.

With a donation, a tree will be planted at the park in honor of your loved one. You will also be given a Tree Certificate with the name(s) of the Honoree and a tree memorial number. All verbiage on the certificate must be reviewed and approved by the North Wales Borough Council.

Complete the donation form on the back of this brochure. Make checks payable to:

Request: Replacing the existing slate roof with an asphalt shingle roof

Submittals: Application, work proposal and photographs.

• • •

HARB Meeting: May 19, 2021

In Virtual Attendance: Mr. Joseph Del Ciotto
Mr. Charles Guttentplan
Mr. James Schiele
Mr. Ray Tschoepe

Applicant in Attendance: Representatives from Long and Foster as well as the contractor from United Veterans Roofing.

Action: **Approve as presented with the following conditions:**

1. The replacement shingles should be similar to slate in color.
2. Valleys should be open whether a 30-year or 50-year shingle is chosen.
3. An imitation slate (Majestic, etc.) is permissible in lieu of asphalt shingles.
4. The metal in the valleys and the gutters must be consistent. Copper with copper, aluminum with aluminum.

Findings of Fact: The Secretary of the Interior recommends,
“Replacing in-kind an entire feature of the roof that is too deteriorated to repair... using the physical evidence to guide

the new work... If using the same kind of material is not technically or economically feasible, then a compatible substitute material may be considered.”

Recommendation to Council: Issue Certificate of Appropriateness

Respectfully submitted,

Ray Tscheppe

What is a TPO Roofing System

What is TPO Roofing?

Thermoplastic Polyolefin is a single-ply **roofing** membrane that is one of the fastest growing commercial **roofing** systems on the market. **TPO roofing** systems are made up of a single layer of synthetics and reinforcing scrim that can be used to cover flat **roofs**.

How long will TPO roofing last?

If installed properly and maintained well, a TPO roof should last up to **30 years**.

The main advantage of having a TPO roofing system is that it is UV-resistant, and can help reduce home energy consumption.

Children's Community Garden at The John R. Bryant Park 4th Street

More to come...

Children's Planting Classes

Zinnia Garden

Birdwatch Corner

With the help and cooperation of neighborhood friends, the 4th Street Children's Park dedicated in memory of John R. Bryant has taken on a small community garden. A big thank you to resident, Dominic Vasturia who was instrumental in getting these beds placed and planted.

North Wales Parks and Recreation along with our Public Works Department will assist in maintaining these garden beds. The objective of this community garden is not only to strengthen our community, but to educate children on the benefits of gardening and of course the fruits of labor (veggies, in this case)!
