- **Public Comment**

Wendy McClure - saw information about Bird Town and invited them to speak to P&R to learn more and gauge feasibility for NW.

- **Presentation: Bird Town**

Heidi Shiver from Bird Town presented an overview and benefits of Bird Town. Next step is for Kathy to talk to Christine.

Lynne motioned, Jeff seconded, Approved 4-0.

- **Update: Summer Park Tour**

Jeff to contact Christine to check in re: submissions. Kathy to create box for library to use to collect submissions. P&R members to solicit local businesses for prizes.

- **Consideration: Jack-O-Lantern Crawl**

Discussed logistics and promotion. Excited about promotion in newsletter. P&R to request that borough promote Crawl on social media at least 2 weeks prior to event, with post including specific mention that only carved pumpkins qualify (e.g. painted pumpkins not accepted). Request that borough cover cost of (12 dozen) donuts for event. P&R to

use string lights again for lighting, potentially on each table. Decision: participants can provide candy along with their pumpkin. Plan to use bails of hay for participants to take photos. Decision: in event of tie, all participants in the tie are included (e.g. if two people are tied in 2nd place, both will come in 2nd place).

- **Old Business/New Business**
- **Discussion: Summer Kickoff Feedback**

Everyone heard positive reviews from residents. Great turnout despite the weather. Not concerned about having fewer food trucks. Kathy thanked each food truck personally at end of event while they cleaned up.
