Vacation Patrol Request

North Wales Borough Police Department offers vacation security checks to residents. Officers will do a periodic check of the exterior of your home while you are away.

Upon filling out and submitting this form, your house will be checked by an Officer every other day. This, of course, depends on the manpower and availability of officers. The Officer will walk around the residence to ensure the house is secured and there are no signs of forced entry. They will also be looking for any signs that unwanted persons, or vehicles have been there. They will watch for things that may seem out of the ordinary. The Officer will log the times of the check in their activity log.

If something is wrong, the contact(s) listed on the form will be notified. When completing the form below, please be as thorough as possible because an incomplete form may result in your request being delayed. Upon your return home, you must contact North Wales Borough Police.

Completed forms may be dropped off at North Wales Borough Police Department, open 8am – 4pm Monday through Friday, located at 300 School Street, North Wales, PA 19454.
