Family. It's a simple word, but one with deep significance. My wife and I moved to North Wales in 1979 because this is where we wanted our children to grow up. We found a house that became a home to our children, Sarah and Alexander. We moved several times within the borough and soon discovered that, with each move, we had joined a vibrant, inclusive, and thoughtful community with caring and generous neighbors.

As the newly elected president of North Wales Borough Council, I have a wish for each of you: that you experience that same feeling of family we have felt. Whether you are born in North Wales or chose to make it your home as we did, we are all in one, extended North Wales one family.

We saw compelling evidence of this recently, when my wife Neree and I attended the North Penn Fire Company's annual banquet. We heard one member after another speak of their brothers and sisters in Company 62. We witnessed the awarding of recognition for outstanding effort in service to the community. We watched and listened as the men and women of the fire family spoke of the dedication and hard work of the everyday folks who volunteer to protect our homes, our businesses, our lives, our pets – and our families.

We are so very lucky to have such an amazing group of dedicated men and women who sacrifice family dinners, their children's recitals and games, and family events to risk their lives for us on a daily basis and who, in so many ways, treat each of us as they would their own family. The banquet and awards ended with a moving tribute to those members of Company 62 whose **end of watch** over the past year has given them new responsibilities to protect all of us and their brothers and sisters from their new duty posts from Above.

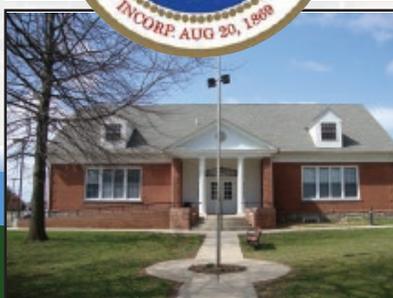

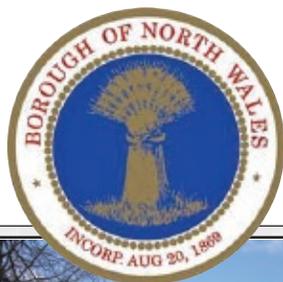

North Wales is a community we can all be proud to call home, especially because of our brothers and sisters who serve and protect us. From Company 62 to our dedicated police officers, from our hard-working borough staff to our community-focused mayor, elected borough council members, and our borough manager and relatively new assistant manager, we are blessed with so many caring and talented family members.

Even though, like all families, we don't always agree on everything, we should all value what each of us, as citizens, brings to our community.

So what is the significance of family? Luckily, if our hearts are not in it, it doesn't necessarily mean we have to run into a burning building, but it does mean we do what we are able for each other. We watch out for each other. We offer sympathy for each other's losses. We forgive each other when we have disputes. We share zucchini in late summer and help each other dig our vehicles out of the snow in the winter.

While it may be true that we each have only one biological family, the North Wales community is a pretty amazing extended family! When you've made North Wales your home and by extension your family, you've taken the first step on a journey to open your heart.

I want to thank each of you in my North Wales family.

PROUD TO SERVE MY HOMETOWN
AS NORTH WALES BOROUGH SOLICITOR

Message from the Mayor

I've just come in from shoveling snow this February Sunday afternoon and the radio is saying that temperatures will reach the 70's by Tuesday. They say that it hasn't happened since the 1930's. You just never know what life will be like in North Wales. Actually, I can tell you some of what has been and will be happening in our Borough.

Since June 2016 we have been working, assisted by the Montgomery County Planning Commission, on the Borough's new Comprehensive Plan: North Wales Borough 2040. I am happy to report that the public will have an opportunity to review and make comments on this new plan on May 3. Stay tuned for further details. This plan will show our goals for advancement into the future; while recognizing and preserving our rich history.

Speaking of our history; we are beginning to plan for the North Wales Borough Sesquicentennial in 2019. Many of our residents have spoken about the wonderful Centennial that was held in 1969. We hope to equal, if not exceed, the success of that celebration. We need volunteers to help plan and organize. Please help.

The property at 125 N. Main Street (the former St. Luke's United Church of Christ) has been the site of several concerts. These have been well received. It is our hope that this historic building will play a greater role in the Borough's future cultural activities.

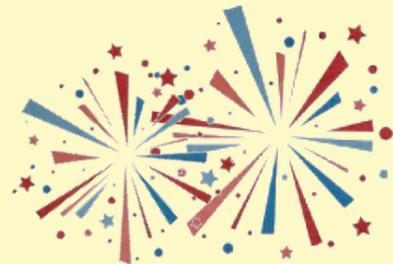

Our 3rd Annual Earth Day and Shred-a-Thon will be held on April 21. I hope to see you there.

North Wales Borough continues to be a desirable place to live; as evidenced by the noticeable increase in home prices and new residential construction. Much of this desirability is the result of the work done by Christine Hart, our Borough Manager, and her staff; as well as Chief Fantry and our Police Department. Another major factor is you, our residents. North Wales is desirable because of all that you do to make our Borough great.

This brings me to my next "happening". In January we said good-bye to three councilmen: Mark Tarlecki, Mike McDonald and John Davis. All three served their constituents faithfully. Mark and Mike served for 12 and 8 years respectively. I have been quoted on more than one occasion that Mark (a Democrat) and Mike (a Republican) never put "Party" before the people. What a wonderful legacy to leave. All elected officials (myself included) must always remember that we serve all of our residents, no matter their party affiliation. Our allegiance, first and foremost, is to them and not our party or political leaders. Over the past four years I have invited you to attend our Council meetings; saying that it is an opportunity for you to see your government at work and to hear firsthand what is going on; rather than "whisper down the lane". Let me add a third reason to attend. You owe it to yourselves to see that your elected officials are indeed serving your best interests.

Finally, I thank you from the bottom of my heart for the bi-partisan support that you gave me on Election Day. Your confidence and willingness for me to serve a second term was heartwarming. I hope to see you at Council Meetings, during my office hours, at events, or any time you need to meet. I can be reached at (215) 219-8174.

GUESS WHO'S TURNING 150!

August 20, 2019 will mark the Borough's 150th Anniversary. The Borough is holding its first advisory team meeting to help plan celebratory events. The meeting is on May 10, 2018 at 7pm at Borough Hall. If interested, please plan on attending, we are excited to hear your ideas.

EARTH DAY EXTRAVAGANZA

North Wales Business Owners and Library Team up with the Borough for Earth Day Celebrations on April 21st!

Tex-Mex Connection kicks off Earth Day Friday Night:

Tex-Mex will be hosting a "Party for the Planet" on Friday, April 20th from 5 pm to Midnight. Proceeds from the door will benefit Green Initiatives within the Borough.

On Saturday, April 21st from 9 am to 1 p.m. Borough residents are encouraged to visit Borough Hall located at 300 School St. to recycle the following items:

- Electronics (see Borough Website for complete list)
- 1 TV per Borough Household (proof of residency required)
- Paper Shredding
- Used Clothing and Textiles
- Old Shoes
- Torn or Tattered Flags
- Used Eyeglasses
- Items containing freon/refrigerant; air conditioners, water coolers, freezers, refrigerators and dehumidifiers
- Plastics (resident who recycles the most plastic wins \$100)
- Gently used household furnishings (no upholstered items)
- Household Batteries
- Scrap Metal
- Used Books, CD's and DVD's

Point Service Center

Located at 346 W. Walnut Street will be collecting the following items from Borough Residents on April 21st from 8 am until Noon.

- Auto Parts
- Car Batteries
- New or Used Motor Oil, Coolant
- Wheels
- Used Tires (2 per Household)

Thank you to our Earth Day Sponsors:

JEFFREY L. VARNER, O.D.

North Wales Community Project Alliance

This year's Fourth of July Parade will be held rain or shine on July 4th at 11:00 am. It will be followed by the traditional picnic celebration in Weingartner Park, complete with a tug-of-war, balloon toss, sack races, and many more fun-filled games and prizes for children of all ages! Don't miss it, it's sure to be a blast!

The North Wales Community Project Alliance (NWCPA) is a non-profit, Borough-based citizens group of volunteers established to carry out activities that promote the well-being and pride of our community. The NWCPA proudly organizes the Fourth of July Parade and Picnic, and December's Tree Lighting Celebration. Both of these events are free to the public and are solely dependent on donations from generous local sponsors.

All Veterans, antique cars, decorated bicycles, scooters, wagons, floats, trucks & performers meet at 10:30 am in the parking lot behind Action Karate (122 North Main St., North Wales)

Don't forget!

Dog LICENSING

Dogs Need Licenses Too! As you may know, Pennsylvania requires all dogs three (3) months or older to be licensed. A goal of the County Treasurer's office is to make getting a dog license fast and easy. Licenses can be purchased or renewed online, through the mail or at a number of satellite locations across Montgomery County including the County Treasurer's office in Norristown. If your dog is lost, a license is their ticket home. Licenses assist animal control and shelters in identifying dogs so that they may be returned home safely. An annual dog license is \$8.50 or \$6.50 if

the dog is spayed or neutered. Lifetime licenses are available for dogs that have permanent identification like a microchip or tattoo. Additionally, older adults and people with disabilities may be eligible for discounts. Owners who do not purchase a license could face state fines and penalties of up to \$300 for each unlicensed dog. For more information please visit treasurer.montcopa.org or call (610) 278-3070.

Don't Let Someone Else Shred Your Identity, Do It Yourself!

The Borough will be hosting a Shred-A-Thon free of charge to Borough residents and businesses in recognition of Earth Day and also to help combat identity theft.

The Shred-A-Thon will take place at Borough Hall. Enter from Fourth St., 9 am to 1 pm on Saturday April 21st. **No Cardboard, Proof of Borough Residency Required**

HINTS TO HELP AVOID IDENTITY THEFT

- Do not sign the back of your credit card. Instead put "Photo ID Required"
 - When you are writing checks to pay on your credit card account, DO NOT put the complete account number on the 'For' line. Instead, just put the last four numbers. The credit card company knows the rest of the numbers.
 - Put your work phone number on your checks instead of your home phone. If you have a PO Box, use that instead of your home address. If you do not have a PO Box, use your work address. Never have your social security number printed on your checks.
 - Place the contents of your wallet on a photocopy machine. Do both sides of each license, credit card, etc. You will know what you had in your wallet and all of the account numbers and phone numbers to call and cancel. Keep the photocopy in a safe place.
- It is important that you cancel your credit cards as soon as possible. It is helpful to know the number to call and your credit card number.
 - Call the police right away to report the theft of your wallet and contents.
 - Call the 3 national credit reporting organizations immediately to place a fraud alert on your name and also call the Social Security fraud line number.
 1. Equifax – 1-800-525-6285
 2. Experian (formerly TRW) 1-888-397-3742
 3. Trans Union – 1-800-680-7289

Nor-Gwyn Pool

Grab your sunscreen, towels and membership cards! The Commissioners, Managers and Staff of the Nor-Gwyn Pool look forward to seeing all our returning – and NEW– members for another fantastic summer at the pool! This year, the pool management and staff have been busy improving the facility’s infrastructure, including much-needed new storage areas, office improvements and a new maintenance building. While many of the improvements made during this year’s off-season are “behind-the-scenes,” these changes lay the groundwork for future enhancements planned over the next few years.

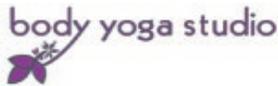

Last year’s higher than normal registration is expected to continue into this summer, so new members are encouraged to register early to ensure a spot for this season. Returning patrons will receive priority registration, but are likewise encouraged to register early to beat the rush in May and early June.

On-line registration began on March 15th and a 5% discount is available for those who register via the website before April 15th. Prior year’s members will again receive their registration documentation via email. New members or those looking for more information, are asked to visit the pool website, www.norgwynpool.com. As in prior years, swimming lessons will be provided through *The University of Swimming* and more information can be found at their website, uswim1.com.

YOGA IN THE YARD

North Wales Park and Recreation is offering “Yoga in the Yard.”

May 21st Yarn Painting

Yarn painting is done in different ways. One way is to weave the yarn into a board to create an image. The other way is to draw an image and then glue the yarn down to make your painting, and finally the last way is to dip your yarn into some paint and drag it across a board or canvas. You may want to bring some canvas board, we'll supply the yarn and other materials.

June 18th - Collage

Have some fun tearing up paper and other materials and attaching them to a foundation board. It not just de-copage it is collage. Join us as several members of the North Penn Arts Alliance have fun learning about and making collages.

COMMUNITY BULLETIN BOARD

Residential permit parking zones limit parking to residents and their guests during the hours of 6AM to 6PM, Monday - Friday. This program helps to ensure that residents of densely populated areas have reasonable access to parking near their residences. Vehicles parked in a permit parking zone must display an annual permit or daily pass or they may be ticketed. 2018 permit parking stickers are available at the Police Department during regular business hours.

Borough Ordinance and the Department of Environmental Protection prohibit the burning of yard waste, including leaves. Recycling or composting of these items is preferred.

Residents living in the Historic District must apply to the Historic Architectural Review Board (HARB) before making any building façade changes. Please contact Borough staff to see if the changes being planned require a Certificate of Appropriateness from H.A.R.B.

A permit is required before planting, trimming, removing or spraying a shade tree in the Borough. A shade tree is defined as any tree within 10 feet of a roadway. A copy of the regulations and the application for a permit are available at the Borough office and on the Borough website.
